License Activation

Peresoft activation information is available via the internet by retrieving the license information from www.peresoft.com.

This simple and easy activation process removes all the hassles of having to enter activation codes for the products you have purchased.

License Information

Select C/B Setup – License Activation – Licenses to display the licensing information of your Peresoft software and the Peresoft Products licensed to you.

The screenshot shows a window titled "SAMLTD - Peresoft Activations" with a menu bar (File, Settings, Help). Below the menu is a section for "Licensed Peresoft Accounting Products:" containing a "Client ID" field, a "Company" field, and a "Save" button. Below this is a tabbed interface with "Licenses" and "Users" tabs. The "Licenses" tab is active, displaying a table with the following data:

Product	Version		
Peresoft Cashbook	2014	*** Unregistered ***	2014/01/07

Below the table, it states "Your license will expire on : 2014/01/07". At the bottom, there are buttons for "Obtain Licenses from Peresoft.com", "Check for Product Updates", and "Close". Additionally, there are fields for "Maximum Users" (set to 0) and "Current" (set to 1).

Client ID

In the Client ID field enter your Peresoft Client ID.

Company

Enter the exact Company Name under which your Peresoft products are activated.

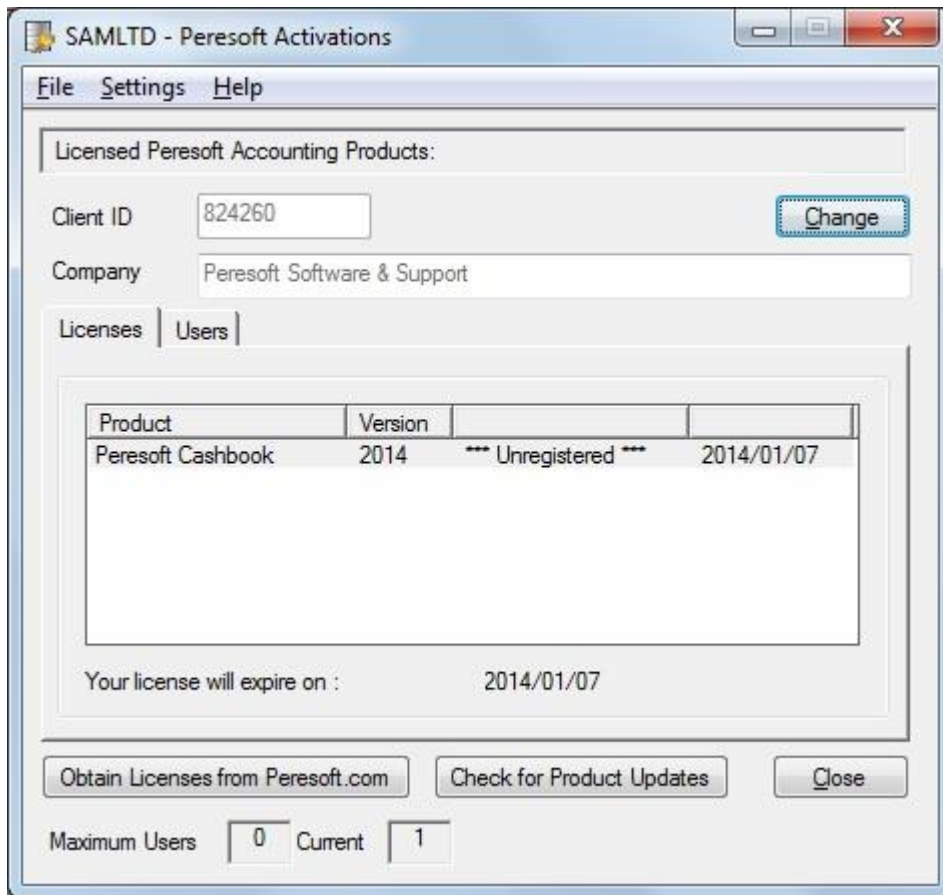

Select the Save button.

The screenshot shows a window titled "SAMLTD - Peresoft Activations" with a menu bar (File, Settings, Help). The main area is labeled "Licensed Peresoft Accounting Products:". Below this, there are fields for "Client ID" (824260) and "Company" (Peresoft Software & Support). A "Save" button is next to the Client ID field. Below these fields are tabs for "Licenses" and "Users". The "Licenses" tab is active, showing a table with the following data:

Product	Version		
Peresoft Cashbook	2014	*** Unregistered ***	2014/01/07

Below the table, it says "Your license will expire on : 2014/01/07". At the bottom, there are buttons for "Obtain Licenses from Peresoft.com", "Check for Product Updates", and "Close". There is also a section for "Maximum Users" with a value of 0 and "Current" with a value of 1.

Note: To change the information in the Client ID and Company fields select the "Change" button next to the Client ID field to enable the fields.

Once you have changed the information in the fields select the Save button.

The following message is returned "Changing your Client ID and/or Company Name will affect your license activation information. Do you want to continue?"

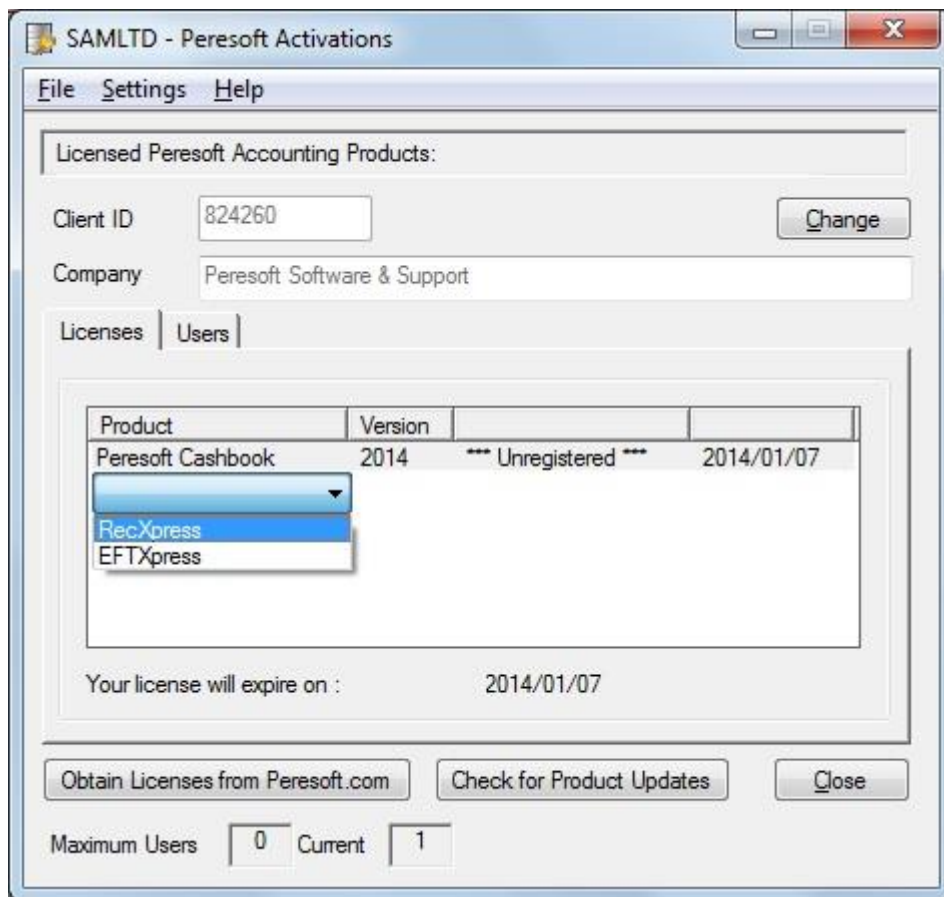

Select the Yes button to change the information in the fields or select No to keep the original information.

Activate Product Licenses

Select C/B Setup – License Activation – Licenses if you want to automatically activate your Peresoft products and if you have products with a grace period you want to activate.

Obtain Licenses from Peresoft.com

Select the “Obtain Licenses from Peresoft.com” button to link to the Peresoft website and automatically obtain your activation information and activate your Peresoft products seamlessly.

Note: You must ensure that you are able to access the Internet and specifically the Peresoft website (add Peresoft.com as a trusted website if necessary) from the device you are running the “Obtain Licenses from Peresoft.com” function on.

Update Software Assurance Expiry Date

Your license will expire on:

The date by which your current Peresoft product licenses must be renewed.

Note: You must renew your Peresoft Product licenses before this due date and then select the “Obtain Licenses from Peresoft.com” button to automatically link to the Peresoft website and seamlessly obtain your new activation information, activate your Peresoft products and update your Software Assurance expiry date with the new expiry date.

Activation Count

You are only allowed to activate your Peresoft products once. After running the Obtain Licenses from Peresoft.com function the Activation Count indicating how many times your Peresoft products have been activated is displayed in the bottom right of the form.

Note: If you need to activate your Peresoft products again you must contact Peresoft to provide a valid reason.

Add Peresoft Lanpac

You need to add at least a 1 User Peresoft Lanpac to enable user access to the Peresoft Cashbook and related Peresoft products.

To operate in a multi-user environment whereby more than one user will be accessing Cashbook and related Peresoft products simultaneously you need to install the required number of Peresoft Lanpacs to afford you the required user licenses.

Add Lanpacs

Select C/B Setup – License Activation and click on the Users tab.

The following form will appear:

The screenshot shows a window titled "SAMLTD - Peresoft Activations" with a menu bar (File, Settings, Help) and a toolbar. The main area displays "Licensed Peresoft Accounting Products: Premium Edition". Below this, there are fields for "Client ID" (824260) and "Company" (Peresoft Software & Support), with a "Change" button next to the Client ID. A tabbed interface shows "Licenses" and "Users" tabs, with "Users" selected. The "Users" tab contains a table with columns "Serial Number", "Units", and "Expires". At the bottom, there are buttons for "Obtain Licenses from Peresoft.com", "Check for Product Updates", and "Close". Below these buttons, there are input fields for "Maximum Users" (0) and "Current" (1).

Serial Number	Units	Expires
---------------	-------	---------

Select the Insert key to install New Lanpacs from a drop-down list of the Lanpac products.

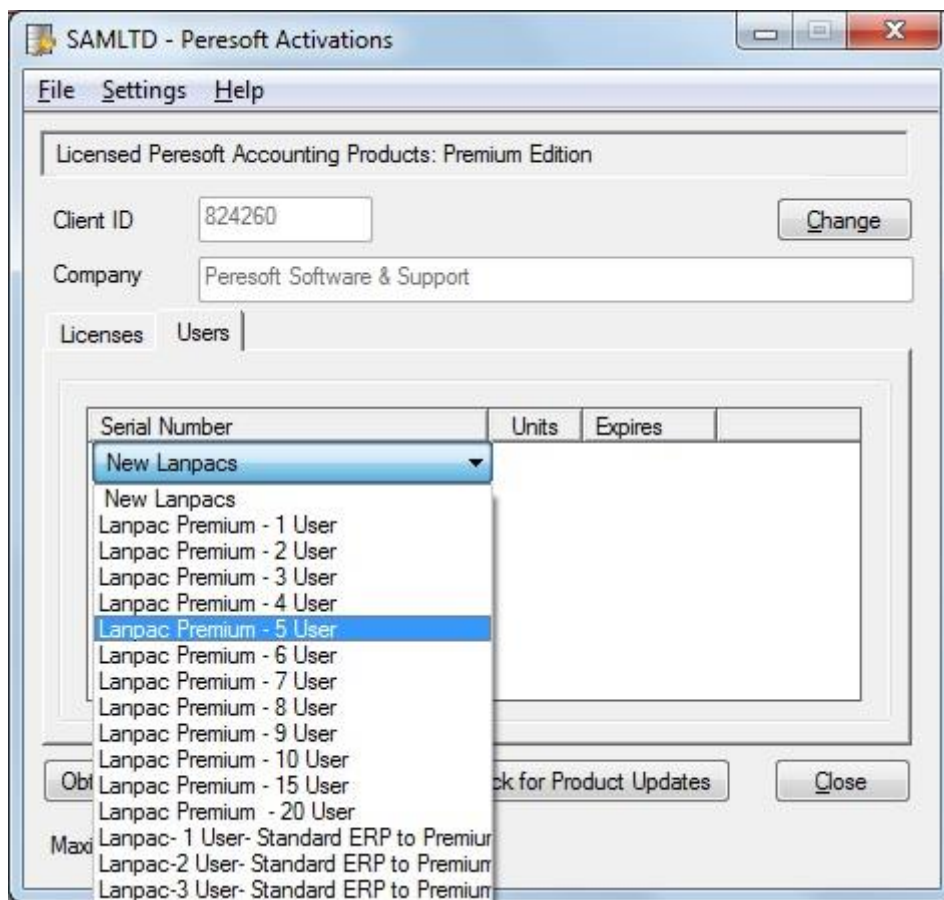

The following form will appear:

The screenshot shows a window titled "SAMLTD - Peresoft Activations" with a menu bar (File, Settings, Help) and a status bar (Licensed Peresoft Accounting Products: Premium Edition). The window contains fields for Client ID (824260) and Company (Peresoft Software & Support), a Change button, and tabs for Licenses and Users. The Licenses tab is active, displaying a table with columns for Serial Number, Units, and Expires. A dropdown menu is open under the Serial Number column, showing "New Lanpacs". At the bottom, there are buttons for "Obtain Licenses from Peresoft.com", "Check for Product Updates", and "Close", along with a "Maximum Users" section showing 0 Current and 1.

Serial Number	Units	Expires
New Lanpacs		

Select the Lanpac product you want to add.

Tab off the field and the Lanpac will be added with a Grace Period to obtain your licenses from Peresoft.

To activate an additional Peresoft Lanpac product select the Insert key.

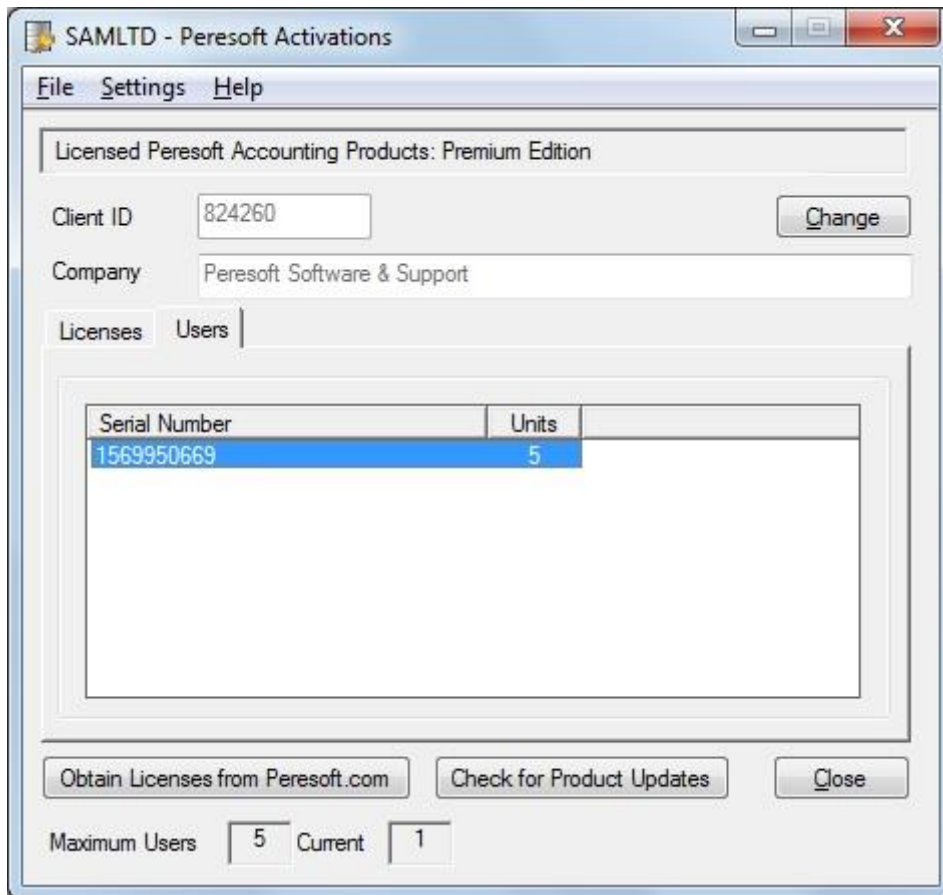

A drop-down list of the Peresoft Lanpac products is displayed.

Select the relevant Peresoft Lanpac product from the list and select the tab key.

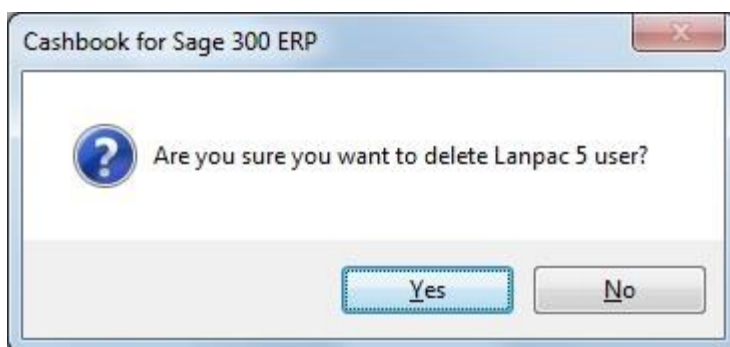

The product will be added to the list with ***Unregistered*** next to the product.

Select the "Obtain Licenses from Peresoft.com" button to link to the Peresoft website and automatically obtain your activation information and activate your Peresoft Lanpac products.

The Lanpac is now activated.

If you want to delete Lanpacs that have been added select the Delete button.

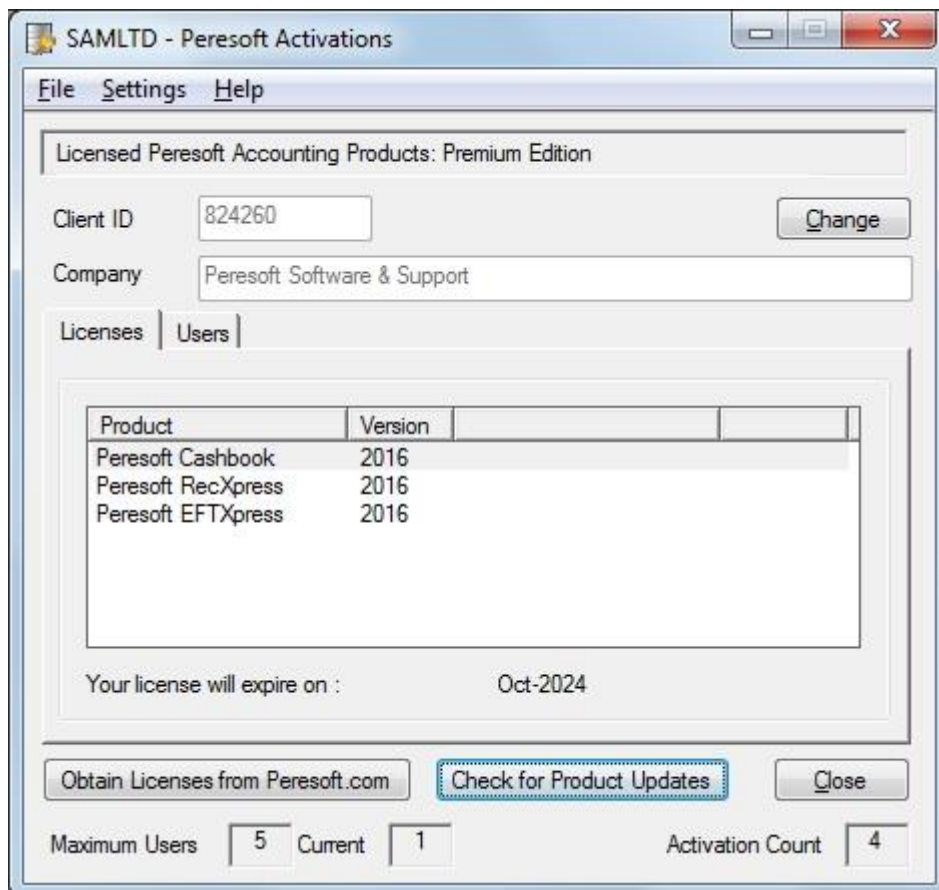

Select Yes to delete the Lanpac or No to keep the Lanpac.
